

The image displays three architectural drawings for the SAS MONTE DECORS installation:

- Section AA (Top):** A cross-section of the installation. It shows a grid of vertical supports (A3-03) and horizontal rails (A3-02) mounted on a ceiling (Faux plafond). The ceiling height is marked from 0m to 8m. The horizontal distance is marked from -10m to 14m. The section shows the internal structure of the installation, including the mounting brackets and the internal components of the vertical supports.
- Plan View (Middle):** A top-down view of the installation. It shows a grid of vertical supports (A3-03) and horizontal rails (A3-02) mounted on a ceiling (Faux plafond). The ceiling height is marked from 0m to 8m. The horizontal distance is marked from -10m to 14m. The plan view shows the layout of the installation, including the mounting brackets and the internal components of the vertical supports.
- Detail (Bottom):** A detailed view of the access door (ACCES MONTE DECOR MAX H 301 X L 245). It shows the door frame, the door panel, and the internal components of the door. The detail is labeled "ACCES MONTE DECOR MAX H 301 X L 245".
